Proposal for New Schedule in the Art Gallery from 8:15-915

I propose that we harness the positive enthusiasm that several members are exhibiting, to offer additional "Extra Intro" Lessons in the Art Gallery. This program would serve to provide our attendees with additional introductions to key Swing dances. We would use this structure to promote the various teaching institutions in town such as FOTF, GoDance, BalAustin, Austin Swing Workshops, etc. The teachers would be selected by our teacher coordinator. Teachers would not be paid. This teaching spot can also serve as a training ground for incoming teachers. A possible schedule is: 1st Thursday "Lindy Hop part 1", 2nd Thursday "Lindy Hop part 2", 3rd Thursday "The Shim Sham", 4th Thursday "Charleston", 5th Thursday "Solo Jazz".
